PRINT EDITION | 6 NOVEMBER 2026

6 Australian TV channels + 639 curated FAST/IPTV channels

This booklet is a numbered reference for the current AUTV catalogue. Channel listings are not a guarantee that a stream is currently available or that programme guide data is complete.

Quick start

Use the TV remote to select a channel and press OK to play. Long-press OK to add a Favourite. Set your preferred startup channel in Settings. After updates, choose Settings > Refresh channels and TV guide.

Australian television

The six ABC and Network 10 channels below were approved for no-login playback on the owner's Australian TV. Additional 7plus, 9Now and SBS services may require linking through Settings.
